Our school

Our school is situated in the center of our town. For School #14, 1989/1990 educational year was the first year in our school. In the history of Kayrakkum it was the first Tajik school with two classes and 52 students. In 1990 with the support of parents there were 8 more classes with 170 students began to work and 20 teachers have started to work here. Today our school is one of the

most active and advanced schools of our town besides it due to RISOL our school is the only school in our town with Internet connection. Here are the plenty of students 1372, 54 classes and 93 teachers. The first graduates of the school were let out in 1993 - 12 students.

Sport in our school

At our school there are lot sport competitions. During spring time we have such sports competitions: Volleyball, Football, Table tennis and basketball. In May there was Volleyball competition between the students of 9th form. The championship on volleyball took place in our sports hall. Here are some photos of the game.

Active students of our school

The students of our school are very active and we try to participate in different competitions to encourage our knowledge. The last of such competitions in which our students have participated was the project of IFIES organization "I'm the citizen of Tajikistan". We should write the composition and the best students from our school were Mirzoahmedov Fariddun and Gulnoza Rahimova. They were luckily selected as the semi finalists. This competition was took part in May 2006.

Our graduates

This year there are 94 graduates from 4 classes in our school .

Most of them already have the right to study in the Universities, they became the winners of the University competition. Today we wish all of them GOOD LUCK!
