

FATHERS DAY

INTRODUCTION: We know about fathers' day. It is a special day. The children wanted to give their father some gifts or make any food which their father likes. We also want to make some special gifts or food for our father. It's a handicraft work. We need to manage some articles for it. We'll do that to surprise our fathers. They'll feel very happy.

DESCRIPTION

MAKING OF A GIFT: We'll make a hand-made gift to present our father. It is a flower plate.

NEEDED MATERIALS:

1. Plastic plate.
2. Color Paper.
3. Gum Stick.
4. Tape.
5. Raffling paper.
6. Scissor.

INSTRUCTIONS: First we have to take the plastic plate. Then we'll raffle the plate with a paper. We'll cut the color paper with scissor like a flower. We shall make few flowers in this way. Now we have to take the flowers on the plate and put tape on it. After that we'll make some green leaves and shall decorate the flower plate. Then we'll raffle the gift. And we shall present it to our father. We shall also give a greeting card.

MAKING A FOOD: We will make a food for our father. It is a vanilla cake.

NEEDED MATERIALS: 1. Eggs, 2. Flour, 3. Sugar, 4. Milk, 5. Salt, 6. Oil, 7. Vanilla, 8. Baking Powder.

INSTRUCTIONS: First we have to foam the eggs in the bitter. We'll mix sugar with foam and then put in the bitter. Then we have to mix the oil, flour, baking powder, salt, milk and vanilla and put them into the bitter and make the cake. Then we have to put the mixture in a plate. We'll have to put the mixture and put it in the oven for 20 minutes. After that we'll take it out and decorate the cake. Now the cake is ready to serve.

CONCLUTION: Fathers' day is really a day to celebrate. We have tried our level best to make a good hand-made gift and serve some good food for our father. We enjoyed a lot to make these things. Wish a very happy fathers day.
